Principal's Message

Damian Duncan

Welcome to Week 8 and another great week of learning at Wodonga Primary School,

A huge congratulations to those who participated in the District Cross Country on Friday, we are proud of every single student for having a go. A big thank you to Ms Mackie, Mrs Way and Mr Moxey supporting this event.

This week we look forward to our School Council meeting number 3, Wednesday the 5th at 5pm.

Student Led Conferences

Student Led Conferences will be held on **Thursday the 20th** of June and **Friday the 21st** of June. The booking times are as follows...

Thursday 20th: **3:30pm to 7pm**

Friday 21st: **8:30am to 12:30pm**

The booking times are slotted for 10 minutes per student, and we encourage families with multiple children to put a break between their children to accommodate travel between the classrooms.

All families have been sent a Compass Newsfeed and SMS text prompting families to book a conference time. Additionally, there is a COMPASS Conference booking link which you will see at the top of the COMPASS app. This is active for all families to make an appointment with their child's classroom teacher. We aim for all kids to share their learning with a family member, where celebrations can be made as well as communicating next steps in learning.

- Expand Minds -

National Consistent Collection of Data

Annually, every school in Victoria is required to participate in the National Consistent Collection of Data (NCCD). This process involves submitting data based on students enrolled at WPS who have a diagnosed disability. This data is important as it informs our school wide inclusion practises. To ensure that our student records are up to date, please follow this link for a very brief questionnaire.

<https://forms.gle/1TVNFoJhHjWW7bEs6This>

A link will also be sent as a text to all families in the coming days

Public Holiday / Pupil Free Day

Monday 9th of June King’s Birthday and Friday the 21st reporting to parents

Our vision principles are...

Culture

Curiosity

Collaboration

Challenge

Community

Wellbeing...

Cara Pfeiffer & Chris Moxey—Wellbeing Leading Teachers

The Resilience Project is based around the idea of Gratitude, Empathy and Mindfulness, and practising these skills daily to support positive emotions. Each week the students at WPS participate in a Resilience Project lesson, as well as engage in GEM chats. GEM chats allow the students to practise gratitude, mindfulness and empathy and provide a regular wellbeing check in and strengthen the connections to school.

Each week at assembly students and teachers will have the opportunity to participate in a GEM chat and share their thoughts. You can find today’s GEM chat here.

2025 Enrolments

Please note that enrolments for 2025 are open! Check out our website for further information.

Assembly...

Harrison is our GEM Award winner this week. Well done Harrison

Layla is our Environmental super Hero of the week!

Our Happy Card Recipients of the week! Congratulations!

Annabel is our Library Borrower of the week.
